

## **International Rubber Board to continue to take the rubber export restrictions**

According to Indonesia, “Handelsblatt reported, Indonesia, Thailand and Malaysia International Tripartite Rubber Council, said rubber prices continued at \$ 3 / kg, rubber exports will continue to decline. The Council said that the to reduce export one of the aims is to improve the negotiating capacity in order to stabilize the international market price.

The International Rubber Alliance CEO Dahlman Addis said prices per kilogram of rubber 3-4 dollars is a reasonable price for farmers and manufacturers.

International Tripartite Rubber Council, said the economic growth of China and the United States will promote the 2013 rubber prices, the impact of the European debt crisis on rubber prices.
