

China: Dongxing Port rubber imports exceeded \$ 100,000,000 in January-November

According to Customs statistics, in January-November, Dongxing Port rubber (including compound rubber, natural rubber and smoke film) a total of 38,000 tons of imports, the value of \$ 102 million, both net growth.

Composite rubber and natural rubber mainly imported rubber products, imported 1.9 million tons and 1.8 million tons respectively. By the futures market and the international market price fluctuations, the recent rubber imports continued to decline.
