

India's December natural rubber imports fall 35.6 pct

Jan 15 (Reuters) – India's natural rubber imports in December fell 35.63 percent on year to 13,611 tonnes, the state-run Rubber Board said on Tuesday.

The world's fourth-biggest producer imports natural rubber from Malaysia, Thailand and Indonesia. India's output during the period rose 3 percent to 110,000 tonnes, it said.
