

Indian Rubber Industry urges duty free import

The association, its leaders, including AIRIA (SR) Chairman K. Vaidyalingam, had been asked by the government to submit data substantiating its appeal for an anti-dumping duty on imports of finished rubber products. NEW DELHI (Commodity Online): Leaders of All-India Rubber Industries Association (AIRIA) urged the Central government to permit duty free import . Short fall in rubber production in India would be 75,000 tonnes this year said Vinod T. Simon president of All-India Rubber Industries Association (AIRIA). The fall in the production can be adjusted only through importing natural rubber said rubber association. T.Simon added that the rubber industry was hit on account of high duty on import of inputs and low duty on finished products. And has urged duty free import. How ever the rubber board agrees that there is a shortfall in production about 4 %. The industry estimates the growth in consumption would be 7.5-8 per cent. The association, its leaders, including AIRIA (SR) Chairman K. Vaidyalingam, had been asked by the government to submit data substantiating its appeal for an anti-dumping duty on imports of finished rubber products.
